Tulsa Rose Rock Opera Institute:

Tulsa's Rose Rock Opera Institute is a project of two Distinguished Members of SAI, Honorary Member Linda Roark-Strummer, a Tulsa Alumnae initiate, and her husband Peter Strummer, a Tulsa Alumnae initiated National Arts Associate. The Institute offers extensive, intense training of prospective opera students bridging the gap between academia and the professional opera world. Three events will be offered to the public in conjunction with the Institute. The first, "Food, Wine & Song" is **July 8** at Naples Flatbread downtown, the second, "A Night of Scenes and Arias" is **July 14** at Fly Loft downtown and the third, Sacred Music Concert, is **July 16** at St John's Episcopal Church. There will also be three master classes, free and open to the public, at St. John's on **June 28, 29, and 30**.

Particulars about these events and other aspects of the Institute can be found on their website: <http://roserockoperainstitute.com>

Let's support this important new endeavor in our town, presented by two of our own illustrious members!
